I thoroughly enjoyed the Advanced SEO course.

I learnt different techniques on how to move forward with our current SEO activity and tools to accomplish our goals for the future.

The trainer was both friendly and informative.

Luis made the [Advanced SEO] course open ended which was appreciated and that's my preferred style on courses.

One of the most informative yet effective courses I've been on in a while and could tell the extra effort was made to make the course more bespoke to our Group of companies
