

Advanced Leadership & Management Course

A 5 Star Rated course from the Training experts

Advanced Leadership & Management Course

Some organisations have little strategic guidance in place to direct a Manager in ways to develop staff performance. This can lead to an experimental approach that does not deliver the desired results.

Introduction

This course is the next stage in helping you develop you into a more confident manager.

We will provide guidance of the duties that, as a manager, you can use to optimise an individual's performance; ensuring employees feel motivated and included, and contribute to business objectives in a positive way.

Who would benefit from this course?

Managers wanting to improve communication with their team.

Managers who are looking for tools and techniques to build stronger relationships and trust with staff to deliver better results.

Classroom & Virtual Classroom Courses

We offer this course as a classroom based course and as a live, interactive online course.

Our classroom courses are run as public courses at the venues shown below or as a private course anywhere in the UK.

Our online Virtual Classroom courses are available for people anywhere in the world with internet access. You will be able to see the trainer, their screen, be able to chat and ask questions, just like on our regular classroom courses.

I am really pleased with what I learned and how many situations it will help with.

Each topic gave great insight into why problems occur in the workplace and how to identify issues and address them.

Overall an Excellent course.
