

Google Analytics Course

A 5 Star Rated course from the
Marketing experts

Google Analytics Course

This is a one day training course that will give you a good understanding of how to set up Google Analytics, how it works, what data can be obtained and how to use the data to improve your website and your marketing.

Introduction

Google Analytics is a free website analysis tool that gives you deep insights into how visitors find your website and what they do when they get there.

This Google Analytics course will help you understand how to make the most out of the data it provides to improve your website and marketing activities.

Who would benefit from this course?

This training course is ideal for anyone who wants to use Google Analytics to monitor, analyse and improve their website and marketing activities.

Experience of using Analytics, but it is not necessary for the course.

Classroom & Virtual Classroom Courses

We offer this course as a classroom based course and as a live, interactive online course.

Our classroom courses are run as public courses at the venues shown below or as a private course anywhere in the UK.

Our online Virtual Classroom courses are available for people anywhere in the world with internet access. You will be able to see the trainer, their screen, be able to chat and ask questions, just like on our regular classroom courses.

No More Than 6 Delegates

5 Star Rated Course

Practice Led Learning

3 Months Online Support

Lunch Provided

Detailed Course Notes

Our interactive practical courses and learner centred approach, combined with small class sizes, provides the very best learning environment

5.0 ★★★★★

The course provided a comprehensive understanding of the basics of Google Analytics. It was well presented and well explained. We left with a great understanding of how to apply the principles and techniques behind Analytics. We would be happy to recommend you.

David Humphreys
