

Conflict Management Course

A 5 Star Rated course from the
Training experts

Conflict Management Course

On this 1 day course you will learn different strategies for managing conflict effectively, in order to build stronger relationships and minimise the negative impact on performance and productivity.

Introduction

Workplace conflict can appear in many forms, from personality conflicts between employees to an employee and supervisor issues.

On this course you will gain an understanding of the different types of conflict that exist in the workplace, a range of techniques to help deal with the types of conflict and a long-term strategy for dealing with the types of conflict, confidently and effectively.

Who would benefit from this course?

Anyone who experiences or has experienced workplace conflict between another colleague or colleagues that they manage.

People who want standard mechanisms for dealing with conflict in a timely manner, so that they can minimise the effects within the organisation

Classroom & Virtual Classroom Courses

We offer this course as a classroom based course and as a live, interactive online course.

Our classroom courses are run as public courses at the venues shown below or as a private course anywhere in the UK.

Our online Virtual Classroom courses are available for people anywhere in the world with internet access. You will be able to see the trainer, their screen, be able to chat and ask questions, just like on our regular classroom courses.
