

Public Speaking Course

A 5 Star Rated course from the
Training experts

Public Speaking Course

Being able to convey what we want to say in an effective, engaging and meaningful way is a skill that can be developed in everyone

Introduction

This one-day interactive training course will identify key areas and pass on skills that will contribute towards you becoming a proficient speaker in a range of different contexts.

We will explore the tools and techniques to create and deliver unique and memorable speeches that make you stand out.

Who would benefit from this course?

The course is designed for people who wish to develop their public speaking skills in their professional lives, those who may be preparing for an event, or those who just want to become more proficient when addressing or interacting with others.

Classroom & Virtual Classroom Courses

We offer this course as a classroom based course and as a live, interactive online course.

Our classroom courses are run as public courses at the venues shown below or as a private course anywhere in the UK.

Our online Virtual Classroom courses are available for people anywhere in the world with internet access. You will be able to see the trainer, their screen, be able to chat and ask questions, just like on our regular classroom courses.
