

Wellbeing at Work Course

A 5 Star Rated course from the
Training experts

Wellbeing at Work Course

Our one-day Wellbeing at Work course is designed for anyone who is interested in exploring practical strategies to improve wellbeing in their work environment. This course will teach you skills and practical tools that will help you increase overall wellbeing and productivity of yourself and your team.

Introduction

Are you surviving or thriving at your workplace?
Is your team showing up fully?

Join us on this one-day interactive training course where we will look at exploring practical strategies to understand and implement a holistic approach to wellbeing at work.

Who would benefit from this course?

Our Wellbeing at Work course is designed for people who wish to develop a deeper understanding of how to build a resilient and mentally fit team. It is a must for anyone working within organisations in this remote and agile world, especially managers and people leading teams.

Classroom & Virtual Classroom Courses

We offer this course as a classroom based course and as a live, interactive online course.

Our classroom courses are run as public courses at the venues shown below or as a private course anywhere in the UK.

Our online Virtual Classroom courses are available for people anywhere in the world with internet access. You will be able to see the trainer, their screen, be able to chat and ask questions, just like on our regular classroom courses.

Wellbeing at Work

Course Outline

This course will teach you how to increase the overall wellbeing and productivity of you and your team.

Course Objectives

- Gain valuable understanding into improving employee mental health
- Identify how you can create mentally healthy cultures
- Practice proven techniques to increase openness and an environment of support within your team
- Understand if your workforce is surviving? A surviving workforce has extremely low productivity and motivation levels, with higher rates of work-related mental health issues.
- Understanding of the different types of wellbeing and a practical guide to

implement ways of improving this within your organisation

- Guidance and support to understand the support for neuro-diverse workforces
- Understanding sustainable methods of feedback and communication to improve overall work motivation.

Course Topics

- Self-awareness and self-compassion
- Building your own resilience
- Mindfulness and creating a safe space for your team
- Setting personal boundaries
- Stress management and effective time management
- Creative ways of taking care of self and team
- Understanding change and managing

change

- Understanding your team's dynamics and showing empathy
- Understanding wellbeing strategy and its practical implementation

Outcomes

- Increase productivity
- Build an engaged team
- Reduce level of absenteeism
- Improve resilience of self and team
- Improve core skills for a healthy work culture
- Increase self-awareness and mental health awareness
- Build a positive mind-set and motivation
