

Instagram for Business Course

A 5 Star Rated course from the
Marketing experts

Instagram for Business Course

This is a one day training course for organisations looking to take advantage of the marketing potential of Instagram. It covers the essentials of creating and implementing an Instagram strategy for your business.

Introduction

You how to develop a strategy to grow and engage with your target audience whilst utilising the various features and tools of Instagram. Along with platform specific techniques you can use to convert followers into customers.

This is a practical course where you will not only gain knowledge and understanding but also the opportunity to apply this to your own business.

Who would benefit from this course?

This training course is ideal for anyone who wants to use Instagram for a company or organisation.

Private & One to One courses

We offer private group courses and one-to-one courses throughout the UK from £690 and Online From £590. Please email or call us with your preferred venue, number of delegates and any requests.

You might have some experience of using Instagram for your business, but it is not necessary for the course.

Classroom & Virtual Classroom Courses

We offer this course as a classroom based course and as a live, interactive online course.

Our classroom courses are run as private courses anywhere in the UK or at our Manchester training centre.

Our online Virtual Classroom courses are available for people anywhere in the world with internet access.

You will be to able see the trainer, their screen, be able to chat and ask questions, just like on our regular classroom courses.

5.0 ★★★★★

The social media course was very helpful,

Our instructor was very knowledgeable and I left equipped and with things to consider that I had never thought about before.
